

Mohammed Rakib

Operations & Customer Support Lead | Team Coordination | Service Operations

✉ rakibul.islam057@outlook.com ☎ +8801839939535 📍 Notun Bazar, Dhaka, Bangladesh

👤 PROFILE

Operations and administrative professional with 4+ years of experience in customer support operations, team coordination, workflow management, and administrative support for international clients. Experienced in attendance monitoring, lead coordination, process improvement, and maintaining daily operational efficiency in fast-paced environments. Skilled in communication, documentation, CRM systems, and cross-functional coordination with a strong focus on organization and team support.

📁 WORK EXPERIENCE

06/2026 – Present

Cottage Home Care

Intake Coordinator

Managed the complete intake process for new home care referrals, serving as the primary point of contact for clients and families while coordinating with case managers, support planners, and government agencies to ensure timely enrollment into Medicaid-funded home care services.

- Manage the complete intake process for new home care referrals within the Maryland Medicaid program.
- Guide members through Medicaid documentation requirements and collect required onboarding documents.
- Coordinate assessments with Maryland Aging & Disability (A&D) offices.
- Collaborate with Case Managers, Support Planners, and internal care teams to ensure timely service initiation.
- Monitor referral progress and proactively follow up with clients and external stakeholders to prevent delays.
- Provide professional phone and email support throughout the onboarding process.

12/2025 – 06/2026
Dhaka

Lead Administrator & Team Support Coordinator

Lets Get Moving Canada

Managed daily operations and administrative workflows for a Canadian moving company, overseeing lead management, team coordination, operational reporting, and cross-functional communication to ensure efficient service delivery.

- Coordinated daily operations for remote sales and support agents in a fast-paced moving services environment.
- Monitored live call activity through **RingCentral** to ensure responsiveness, attendance, and service coverage.
- **Designed and implemented** an internal web-based break management system for **20+ agents**, helping improve team coordination, break tracking, and operational visibility.
- Assigned and distributed incoming leads based on priority, move dates, and operational demand.
- Managed customer communications and operational updates across **SmartMoving, CallRail, RingCentral**, and sales email channels.
- Coordinated with operations teams regarding scheduling availability, last-minute bookings, and out-of-town move requests.
- Assisted with administrative processing including **e-transfer** verification, file management, and booking support.
- Monitored **missed-call alerts** and lead recovery workflows to minimize lost sales opportunities.
- Maintained communication between agents, sales managers, and operations teams to support efficient daily workflow.

12/2024 – 08/2025
Dhaka, Bangladesh

Digital Support Specialist

Techtronic Industries US/Ca

Provided non-voice customer support for TTI USA brands (Ryobi, Ridgid, and Hart), handling high-volume customer inquiries related to products, warranties, repairs, and recalls. Collaborated with international teams to ensure timely case resolution while maintaining exceptional quality and customer satisfaction.

- Handled **130+ emails/day** for TTI USA brands—**Ryobi, Ridgid, Hart**—resolving inquiries on product use, repairs, services, and warranties.
- Maintained a consistent **100% quality** assurance score and ranked among top performers for accuracy and customer satisfaction.
- Managed Ryobi Rapid Repair and Ridgid Direct Service, ensuring timely resolution.

- Designed a **custom serial number** verification tool for Ryobi 40V Push Mower and Hedge Trimmer Recalls, reducing manual errors and improving processing speed.
- Collaborated with cross-functional teams across USA, Canada, and South Africa, including FedEx logistics, to coordinate recall processes and delivery updates.
- Utilized **Genesys** and **SAP C4C** for ticket management, record-keeping, and team collaboration via Microsoft Teams.

05/2024 – 12/2024
Dhaka, Bangladesh

- Freelance**
Document Digitization Specialist (Remote)
- Transcribed and digitized handwritten 1921 Canadian census records, preserving data integrity and historical accuracy.
 - Interpreted complex, cursive handwriting to ensure high-quality data entry in internal databases.
 - Conducted verification and cross-checks to eliminate errors and maintain data consistency.
 - Collaborated with remote team members to resolve discrepancies and improve workflow efficiency.

04/2022 – 10/2023

- Junior Executive (Digital Service Management)**
GENEX INFOSYS LIMITED
- Managed **200+ tickets/day** across emails, chats, and social media comments for **Apex Footwear LTD**, ensuring timely and accurate responses.
 - Led drafting of standardized responses approved by internal and client QA, maintaining high-quality communication.
 - Developed Standard Operating Procedures (**SOPs**) to improve service quality and streamline workflows.
 - Collaborated with logistics and campaign management teams to address escalated issues efficiently.
 - **Recognized 5 times** as "Employee of the Month" for outstanding performance and contribution.

07/2019 – 01/2021

- Symbol Fashion House**
Business Partner
- Managed Facebook page with 60,000+ likes, consistently posting **product photography and content** to engage the audience.
 - Ran **targeted Facebook ad campaigns**, tracking performance and optimizing for **higher engagement and sales**.
 - Sourced products from **local markets**, negotiated with suppliers, and managed **inventory and pricing**.
 - Handled **order fulfillment, customer inquiries, and after-sales support**, ensuring customer satisfaction.
 - Analyzed **social media insights and sales data** to inform marketing and product strategies.
 - Implemented **creative campaigns and promotions** to grow brand visibility and drive revenue.

 Projects

09/2025 – 11/2025

- Digital Accounting System Implementation (Freelance Project)**
Mayer Doya Motors
Key Contributions:
- Implemented Zoho Books Premium, configuring the system to match the company's accounting and invoicing needs.
 - Digitized six months of past transactions and established a process for daily financial data entry.
 - Designed a structured workflow for recording sales, expenses, payments, and vendor transactions.
 - Trained an internal employee on core accounting functions—invoice creation, credit application, customer/vendor management—enabling them to operate the system independently.

 EDUCATION

2019 – 2023

- Computer Science and Engineering**
MONTAGE POLYTECHNIC INSTITUTE
- Completed a 4-year diploma with focus on programming, software development, and networking.
 - Hands-on experience through projects and practical training.
 - Graduated with a CGPA of 3.30/4.00.

2015 – 2017

- Secondary School Certificate**
Matuail Bahumukhi High School
- Completed Secondary School Certificate (SSC) with Science background
 - Studied core subjects including Physics, Chemistry, Mathematics, and Biology.
